17th June 2022

What an absolutely fun-filled week!

Our children (and staff) loved the farm animals who joined us on the field this Tuesday. Lots of questions asked and I think most of us fell in love a little with Jubilee, the two week old kid.

On Wednesday, we had our Be Spirited day where we celebrated our uniqueness and what makes us, us. It is always lovely to hear the children recognising their gifts and understanding how they use them to make our homes, school and community a better place.

Building works!

Starting next week, there will be work to rebuild the playground wall. In order to do this safely, the footpath will need to be closed off.

There will also be a fence in place to keep children safe and the bikes/scooters will be relocated to the opposite side of the playground.

Thank you

A huge thank you to everyone who came to look at their children's work this week when it was displayed on the playground. It was lovely to hear the children so excited to show off what they had been doing in school.

Class 2s enterprise raised over £85 which is a fantastic amount and will be winging its way to CAFOD.

Again, thank you for your generosity.

Dates for your diary

20th June – Dress as your future self day!

21st and 28th June – Pedestrian Skills in Y3 and Y4

27th June – FS2 Sports' afternoon

28th June - KS1 Sports' afternoon

28th June – Y6 Enterprise Fayre

29th June – KS2 Sports' afternoon

29th June – Whole School Mass for children who have made First Holy Communion

29th June – Movie Night

30th June – Music Caravan

6th July – FS1 Sports' Day

w/c 11th July – Year 6 transition week to St Mary's and new classes at EHC

20th July – end of term

The future's bright; the future's Endsleigh

On Monday, we are looking forward to seeing how our children envisage their future selves. For a donation of £1, they can dress to show what they might want to be in the future, how they think the world might look or simply in their own choice.

EduLink

We are aware that some parents have had difficulties with downloading and setting up the EduLink app. Please can all parents ensure that they have access to this (and contact us if there are any issues) as this is now our only method of sending messages.

Please also ensure that school has your correct email address.

Thank you.

Start of the day

The school gates are now open at 8.30am. There are no staff present until 8.40am so children must be supervised.

If this does not happen, we will have to go back to opening the gates at the later time of 8.40am.

Please remember that children should not be riding bikes and scooters on the playground.

Parking

We are receiving numerous complaints about parking outside of school and we are fearful that if this continues, there will be an accident.

I am sure you agree that the safety of our children **MUST** be our priority and would ask again that you do not park where you are not permitted.

Contacts

If you need to contact school with regards to SEND, please ask for Mr Fox (SENDCo)

Any safeguarding issues or concerns should be passed on to Mrs Hermann (Safeguarding Lead) or Mrs Bentley (Deputy Safeguarding Lead)

Thank you
