Message from EYFS staff

KS2 PCSO visit

In the Foundation Stage, the staff will be dressing up as characters from Elmer for World Book Day. You do not have to do the same (see the attached WBD info) but if your child is in EYFS, feel free to join in with the theme!

As mentioned on last week's newsletter, our local PCSO visited on Monday. He delivered an assembly to KS2 about the importance of how we should act online. The pupils have been reminded about the age restrictions for apps. Further down the newsletter, you will see info on Family Link and how parents can help support the school with children's online activity.

## Spring's Stay & Pray Dates

All sessions will take place at 3pm  
F2: Wed 20th March  
Class 3: Wed 6th March  
Class 3/4: Thursday 7th March  
Class 5: Wed 13th March

## Mass & Adoration

Key Stage 1 and 2 were visited by Jesus on Thursday morning, giving all of the pupils the chance to sit and pray with Jesus present. They all could receive a blessing. The pupils were extremely reverent and observed the service beautifully. Thank you to the St Cuthbert's Chaplaincy Team and Father Marsden for leading. The pupils thoroughly enjoyed this addition to the morning.

## Author Visit

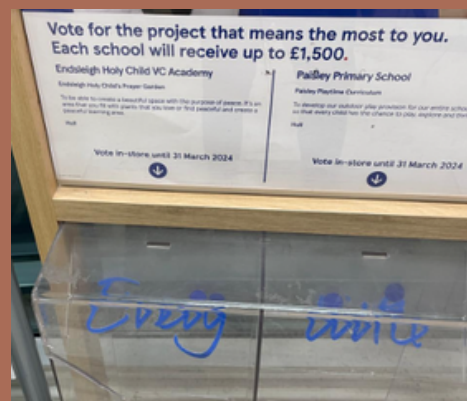

On Monday morning, LD Lapinski will be visiting to talk to Year 6 about their newest book. This is a great addition to the excitement of World Book Day.

## LKS2: Easter Performance

We have had great news in that LKS2 will be performing their Easter Performance at St Mary's College in their theatre. This will be in the evening of Tuesday 19th March. We are very excited about this, following the success of last year's performance. Further information will be shared shortly.

## Tesco Votes

A reminder that, in St Stephen's Tesco, our school's Peace Garden project is open for votes to be placed. The school has the chance to be awarded up to £1500 to help create this new, peaceful learning space on our field. Please do pop down to Tesco in St Stephen's and place a voting token in our box!

# Family Link

With the Family Link app from Google, you can stay in the loop as your kid explores on their Android\* device. Family Link lets you create a Google Account for your kid that's like your account, while also helping you set certain digital ground rules that work for your family — like managing the apps your kid can use, keeping an eye on screen time, and setting a bedtime on your kid's device.

## Set ground rules

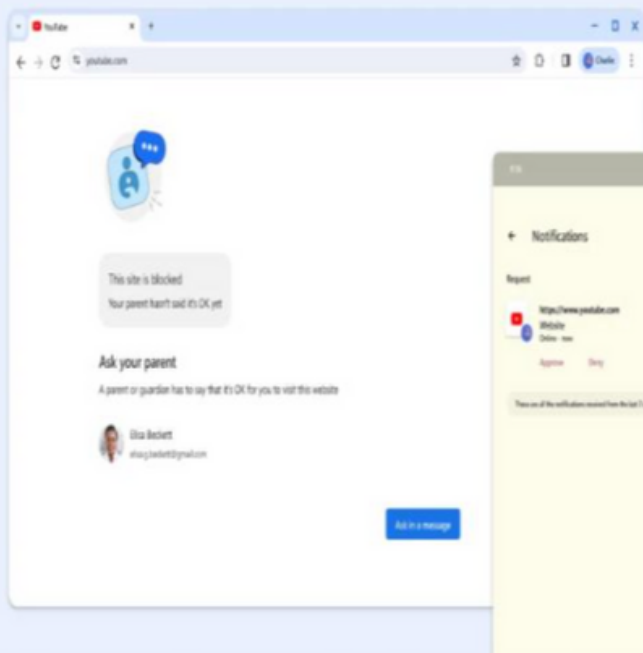

Block or allow certain apps and websites

## Check device activity

Keep an eye on the apps your child use, and for how long

## Balance screen time

Lock devices when it's time to play, study or sleep

### SAFETY

## Help keep your child safer online

If you're a parent and your child uses Chrome, you can use Family Link to set website restrictions and keep them safer online.

1. Your child will need their own [supervised Google Account](#).
2. Visit [Family Link](#) to manage the sites they can visit in Chrome.
3. Help them sign in to their own Chrome profile, so that your [Family Link choices for Chrome](#) will apply.
4. If your child wants to visit a blocked site, they can ask you for permission.

### **Stay safe on-line advice and guidance links**

1. <https://www.getsafeonline.org/safeguarding-children/> (our primary online safety awareness partner)
2. <https://www.thinkuknow.co.uk/> (this is the CEOP website)
3. <http://parentinfo.org/> (also a CEOP supported site)
4. <https://www.net-aware.org.uk/#> (this NSPCC supported site guides parents on the games & software their kids are using)
5. <https://www.iwf.org.uk/> (the Internet Watch Foundation)
6. <https://beinternetawesome.withgoogle.com/en/interland> (a fun learning game-style environment for kids to learn about online safety behaviours)
7. <https://www.internetmatters.org/> (not-for-profit organisation supported by some major internet industry companies such as BT, Virgin, Sky, Talk Talk)
8. <https://parentzone.org.uk/> (a self-funding 'not-for-profit' social enterprise offering expert advice to families, schools and family professionals)
9. <http://www.parentsguidetogames.co.uk/> (private company advising parents on content & safe use of software & games that kids are using).
10. <https://www.saferinternet.org.uk/> (funded under a European Commission programme provides awareness to kids, parents, carers & schools plus has a helpline and a reporting hotline too)
11. <https://staysafeonline.org/stay-safe-online/securing-key-accounts-devices/social-media/> (website for the National Cyber Security Alliance, a company with a similar mission to 'GetSafeOnline.org')
12. [www.swgflstore.com](http://www.swgflstore.com) (contains handy leaflets for giving out to parents & schools for raising awareness of how to make things a little safer on some of the mainstream social media platforms like Snapchat, Instagram, Twitter & Facebook.)

# WORLD BOOK DAY

Reading is important,  
because if you can read,  
you can learn  
anything about

and everything about  
anything.

## World Book Day is on Thursday 7 March 2024.

This annual celebration of authors, illustrators, books and the joy of reading is one of the highlights of our year. Please send your child with their favourite book and **dressed as a character** from inside **or dressed in their pyjamas** ready for a bedtime story. Children who can clearly show their passion for reading and love for their chosen book will have the opportunity to share their book with the school. We look forward to sharing your children's favourite books and perhaps seeing a few of them dressed as their favourite characters. Thank you for helping us get the children excited about reading !!
