Anti Bullying Week

It is inevitable that not everyone will get on all of the time. It is also important to talk about how we feel. This year's theme is 'Make a noise'. This year's Anti-Bullying Week also has a particular focus on understanding the difference between 'banter', 'arguments' and 'bullying', and who better to explore and share this topic than the young people themselves. We will be doing specific work in classes about this.

On Monday we will have Odd Socks Day which celebrates uniqueness and traditionally starts Anti-Bullying Week

Children in Need

This Friday we will be having a non uniform day. Please bring £1 donation for our charity buckets. One key thread this year is 'Positive Relationships Matter'. We couldn't agree more.

KS1 Trip to Sewerby Hall

Our KS1 pupils were absolutely fantastic during Tuesday's trip to Sewerby Hall. They showed brilliant knowledge on Amy Johnson and impressed all staff with their behaviour.

Barvember

Throughout this month, our pupils will be solving a range of math problems using bar models. It is important to showcase a range of ways of working out solutions to ensure all pupils can make progress. Because of this, we are challenging you to a 'family maths problem' for you to work together, using bar models, to solve at home.
