### Computing Excellence

The 18th WiPSCE Conference on Primary and Secondary Computing Education Research takes place next week and we are very proud that Mr Gray has been chosen as just 1 of 5 teachers in England to attend. This event helps to place Endsleigh on a computing pedestal and we look forward to developing our digital curriculum further upon his return.

### Macmillan Coffee

We look forward to welcoming you all to our coffee afternoon on Friday. It will be run by Mrs Holtby and the new team of Mini Vinnies. All proceeds will go to Macmillan Cancer Support. We are kindly asking for donations of cakes and buns to be brought into school next week to help cater the event. Thank you.

### Parents' Evening

Parents' Evening will be taking place on Monday 16th October.

Appointments are going live 6pm this Monday 25th via Edu Link.

During the evening, we will be hosting a Scholastic Book Fair which will be available in the hall and for a week after school. This is an opportunity to buy from a wide range of high quality books for your children as well as helping to raise funds for the school.
